

Pride in your uniform

When students enrol at Waitaki Boys' High School parents accept the school rules (section 4a,b,c and d) and conditions of enrolment. Students are expected to wear the school uniform

Waitaki Boys' High School uniform expectations allows students to exhibit pride in their school. Students not in uniform will need to produce upon request a written excuse. Deans or Senior Management may provide a uniform pass when presented with a parent request.

If students arrive at school in non-school uniform items, those items will be confiscated and/or the student may be sent home until the correct uniform is worn.

Contact with home is required from time to time when no information is given or there are continued uniform issues. In some circumstances the school will work with family/whanau to help provide a uniform.
